

**BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW COMMISSION**

Bel Fury Investments Group, LLC,  
Appellant,

v.

Douglas County Board of Equalization,  
Appellee.

Case No: 17R 0559

Decision and Order Reversing the  
Determination of the Douglas  
County Board of Equalization

**Background**

1. The Subject Property is a residential parcel improved with a 1,052 square foot ranch style residence, with a legal description of: Benson Lot 4 Block 12 Lts 3 & 4 100 X 128, Omaha, Douglas County, Nebraska.
2. The Douglas County Assessor (the County Assessor) assessed the Subject Property at \$71,400 for tax year 2017.
3. Bel Fury Investments Group, LLC, (the Taxpayer) protested this value to the Douglas County Board of Equalization (the County Board) and requested an assessed value of \$40,300 for tax year 2017.
4. The County Board determined that the taxable value of the Subject Property was \$57,000 for tax year 2017.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on September 27, 2018, at Omaha State Office Building, 1313 Farnam, Room E, Omaha, Nebraska, before Commissioner Steven Keetle.
7. Scott W. Bloemer was present at the hearing for the Taxpayer.
8. Larry Thomsen, Senior Appraiser: Residential, of the Douglas County Assessor/Register of Deeds Office (the County Appraiser) was present for the County Board.

**Applicable Law**

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.<sup>1</sup>
10. The Commission’s review of the determination of the County Board of Equalization is de novo.<sup>2</sup>

<sup>1</sup> See, Neb. Rev. Stat. §77-1301(1) (Reissue 2018).

<sup>2</sup> See, Neb. Rev. Stat. §77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). “When an appeal is conducted as a ‘trial de novo,’ as opposed to a ‘trial de novo on the record,’ it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal.” *Koch v. Cedar Cty. Freeholder Bd.*, 276 Neb. 1009, 1019 (2009).

11. When considering an appeal a presumption exists that the “board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.”<sup>3</sup> That presumption “remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary. From that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented. The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.”<sup>4</sup>
12. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.<sup>5</sup>
13. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.<sup>6</sup>
14. A Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.<sup>7</sup>
15. The Commission’s Decision and Order shall include findings of fact and conclusions of law.<sup>8</sup>

#### Findings of Fact & Conclusions of Law

1. The Taxpayer did not argue that the land valuation should be reduced at the hearing before the Commission because the land value was adjusted at the County Board hearing.
2. The Taxpayer indicated that the Subject Property had extensive deferred maintenance and code violations that required repairs and that the assessed valuation should be reduced. The Taxpayer estimated that the cost of repairing the Subject Property would be approximately \$15,000 but presented no quantifiable information as to the actual cost of the repairs and renovations to the Subject Property.
3. The Taxpayer stated that the basement finish had been removed from the Subject Property due to water damage and code violations flagged by the City of Omaha and that therefore the Subject Property should not be assessed for the value of the basement finish.
4. The Property Record File presented indicates that the basement finish added \$1,840 to the assessed value of the improvements as determined by the County Assessor, and that if the value of the basement finish was removed, the assessed value of the improvements on the Subject Property would be \$48,760 for tax year 2017.

5. The Commission finds that the taxable value of the Subject Property for tax year 2017 is \$55,760, \$48,760 for improvements and \$7,000 for land.
6. The Taxpayer has produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
7. The Taxpayer has adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be vacated.
