

BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW COMMISSION

Bel Fury Investments Group, LLC,
Appellant,

v.

Douglas County Board of Equalization,
Appellee.

Case No: 17R 0567

Decision and Order Affirming the
Determination of the Douglas
County Board of Equalization

Background

1. The Subject Property is a residential parcel improved with a 1,782 square foot tri level residence, with a legal description of: Lake Cunningham Hills Lot 38 Block 0 Irreg, Douglas County, Nebraska.
2. The Douglas County Assessor (the County Assessor) assessed the Subject Property at \$147,400 for tax year 2017.
3. Bel Fury Investments Group, LLC, (the Taxpayer) protested this value to the Douglas County Board of Equalization (the County Board) and requested an assessed value of \$118,800 for tax year 2017.
4. The County Board determined that the taxable value of the Subject Property was \$147,400 for tax year 2017.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on September 27, 2018, at Omaha State Office Building, 1313 Farnam, Room E, Omaha, Nebraska, before Commissioner Steven Keetle.
7. Scott W. Bloemer was present at the hearing for the Taxpayer.
8. Larry Thomsen, Senior Appraiser: Residential, of the Douglas County Assessor/Register of Deeds Office (the County Appraiser) was present for the County Board.

Applicable Law

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of the determination of the County Board of Equalization is de novo.²

¹ See, Neb. Rev. Stat. §77-1301(1) (Reissue 2018).

² See, Neb. Rev. Stat. §77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. Cedar Cty. Freeholder Bd.*, 276 Neb. 1009, 1019 (2009).

11. When considering an appeal a presumption exists that the “board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.”³ That presumption “remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary. From that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented. The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.”⁴
12. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁵
13. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁶
14. A Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.⁷
15. The Commission’s Decision and Order shall include findings of fact and conclusions of law.⁸

Findings of Fact & Conclusions of Law

1. The Taxpayer alleges that the increases in assessed value from prior years was excessive.
2. The assessed value for real property may be different from year to year, dependent upon the circumstances.⁹ For this reason, a prior year’s assessment is not relevant to the subsequent year’s valuation.¹⁰
3. The Taxpayer indicated that the Subject Property had extensive deferred maintenance and required repairs and that the assessed valuation should be reduced. The Taxpayer estimated that the cost of rehabilitation and repairs would be approximately \$25,000 but presented no quantifiable information as to the actual cost of repairs and renovations to the Subject Property.
4. The information presented regarding the condition of the Subject Property and maintenance and repairs the Taxpayer asserted were necessary supports the County’s determination of a condition rating of fair for the Subject Property.

5. The Taxpayer asserted that the assessed value of the Subject Property should be reduced due to the presence of electrical towers with buzzing feeder lines directly behind the Subject Property.
6. The Taxpayer presented no quantifiable information as to the impact of the electrical tower or feeder lines to the value of the Subject Property.
7. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
8. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.
