

BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW COMMISSION

Bel Fury Investments Group, LLC,
Appellant,

v.

Douglas County Board of Equalization,
Appellee.

Case Nos: 18R 0311 & 19R 0509

Decision and Order Affirming
County Board of Equalization

Background

1. The Subject Property is a single family dwelling, with a legal description of: Florence Field Lot 1 Block 19 Irreg Sthly 100.7 Ft.
2. The Douglas County Assessor (the Assessor) assessed the Subject Property at \$65,700 for tax year 2018 and \$85,200 for tax year 2019.
3. Bel Fury Investments Group (the Taxpayer) protested these values to the Douglas County Board of Equalization (the County Board) and requested an assessed value of \$50,500 for tax year 2018 and \$64,600 for tax year 2019.
4. The County Board determined that the taxable value of the Subject Property was \$65,700 for tax year 2018 and \$75,000 for tax year 2019.
5. The Taxpayer appealed the determinations of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on February 21, 2020, at the Commission Hearing Room, Sixth Floor, Nebraska State Office Building, 301 Centennial Mall South, Lincoln, Nebraska, before Commissioner James D. Kuhn.
7. Scott W. Bloemer was present at the hearing for the Taxpayer.
8. Larry Thomsen (the Appraiser) was present for the County Board.

Applicable Law

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of the determination of the County Board of Equalization is de novo.²
11. When considering an appeal a presumption exists that the "board of equalization has faithfully performed its official duties in making an assessment and has acted upon

¹ Neb. Rev. Stat. § 77-1301(1) (Reissue 2018).

² See Neb. Rev. Stat. § 77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. Cedar Cty. Freeholder Bd.*, 276 Neb. 1009, 1019 (2009).

sufficient competent evidence to justify its action.”³ That presumption “remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary. From that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented. The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.”⁴

12. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁵
13. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁶
14. A Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.⁷
15. The Commission’s Decision and Order shall include findings of fact and conclusions of law.⁸

Findings of Fact & Conclusions of Law

16. The Taxpayer stated the Subject Property is in a “rough” part of town and believes he has a valuation and equalization issue. The Taxpayer provided spreadsheets with comparable properties that he has made “market adjustments” in an effort to show “equalized assessed and sales values.” The Taxpayer stated his assessed value per square foot was \$57.41 for the 2019 tax year and his comparable properties averaged out to \$32.85 per square foot after “market adjustments” were made. The Taxpayer showed an assessed value per square foot for the Subject Property for tax year 2018 of \$44.27 whereas the comparable properties averaged out to \$32.85 per square foot after “market adjustments.”
17. Although the Taxpayer may have knowledge of the local market, the adjustments being made to the comparable properties are not an acceptable appraisal method and are not compliant with the Uniform Standards of Professional Appraisal Practices (USPAP). The Commission is unable to quantify the adjustments being made to the comparable properties as they are different than the actual assessed value of the components.
18. The Appraiser stated the comparable properties provided by the Taxpayer have different neighborhoods; some have differing quality and condition ratings, which would affect the values.

⁸ Neb. Rev. Stat. § 77-5018(1) (Reissue 2018).

19. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
20. The Taxpayer has not adduced clear and convincing evidence that the determinations of the County Board are arbitrary or unreasonable and the decisions of the County Board should be affirmed.
