

BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW COMMISSION

Bel Fury Investments Group, LLC,
Appellant,

v.

Douglas County Board of Equalization,
Appellee.

Case Nos: 18R 0342 & 19R 0486

Decision and Order Affirming
County Board of Equalization

Background

1. The Subject Property is a single family dwelling, with a legal description of: Sunshine Add Lot 75 Block 0 40x153.
2. The Douglas County Assessor (the Assessor) assessed the Subject Property at \$68,700 for tax years 2018 and 2019.
3. Bel Fury Investments Group (the Taxpayer) protested this value to the Douglas County Board of Equalization (the County Board) and requested an assessed value of \$33,600 for tax year 2018 and \$37,000 for tax year 2019.
4. The County Board determined that the taxable value of the Subject Property was \$68,700 for tax years 2018 and 2019.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on February 6, 2020, at the Commission Hearing Room, Sixth Floor, Nebraska State Office Building, 301 Centennial Mall South, Lincoln, Nebraska, before Commissioner James D. Kuhn.
7. Scott W. Bloemer was present at the hearing for the Taxpayer.
8. Larry Thomsen (the Appraiser) was present for the County Board.

Applicable Law

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of the determination of the County Board of Equalization is de novo.²
11. When considering an appeal a presumption exists that the "board of equalization has faithfully performed its official duties in making an assessment and has acted upon

¹ Neb. Rev. Stat. § 77-1301(1) (Reissue 2018).

² See Neb. Rev. Stat. § 77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. Cedar Cty. Freeholder Bd.*, 276 Neb. 1009, 1019 (2009).

sufficient competent evidence to justify its action.”³ That presumption “remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary. From that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented. The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.”⁴

12. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁵
13. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁶
14. A Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.⁷
15. The Commission’s Decision and Order shall include findings of fact and conclusions of law.⁸

Findings of Fact & Conclusions of Law

16. The Taxpayer stated the Subject Property is a 93 year old home in need of approximately \$22,000 worth of repairs. The Taxpayer stated the roof is in need of replacement, the basement has water issues, the deck is in need of extensive repairs and the interior is worn and ready for a total remodel.
17. The Taxpayer provided a spreadsheet with comparable properties that are intended to show issues with valuation and equalization. The Taxpayer made “market adjustments” to the comparable properties to arrive at an equalized assessed value and equalized sales value. Although the Taxpayer may have knowledge of the local market, the adjustments being made to the comparable properties are not an accepted appraisal method and are not in compliance with the Uniform Standards of Professional Appraisal Practices (USPAP). The Commission is unable to quantify the adjustments being made to the comparable properties. All of the comparable properties provided are in different neighborhoods as the Subject Property and have different neighborhood adjustments and, according to the Appraiser, have different valuation models.
18. The Taxpayer stated he feels all the comparable properties are in a very homogenous neighborhoods and feels as though they are good comparables. The Appraiser stated that

although the comparable properties are in the area of the Subject Property, the sales in the neighborhood support the current assessment.

19. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
20. The Taxpayer has not adduced clear and convincing evidence that the determinations of the County Board are arbitrary or unreasonable and the decisions of the County Board should be affirmed.
