

**BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW
COMMISSION**

DEBORAH HARRIS,
APPELLANT,

CASE NO: 23R 1021

V.

DOUGLAS COUNTY BOARD
OF EQUALIZATION,
APPELLEE.

DECISION AND ORDER
AFFIRMING THE DECISION
OF THE DOUGLAS COUNTY
BOARD OF EQUALIZATION

I. BACKGROUND

1. The Subject Property is an improved residential parcel in Douglas County, parcel number 0523991154.
2. The Douglas County Assessor (the County Assessor) assessed the Subject Property at \$316,900 for tax year 2023.
3. Deborah Harris (the Taxpayer) protested this value to the Douglas County Board of Equalization (the County Board).
4. The County Board determined that the taxable value of the Subject Property was \$316,900 for tax year 2023.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on March 20, 2024, at the Omaha State Office Building, 1313 Farnam, Room 227, Omaha, Nebraska, before Commissioner Steven Keetle.
7. Gerald C. and Deborah T. Harris were present at the hearing for the Taxpayer.
8. Kurt Skradis with the County Assessor's Office (the County Appraiser) was present for the County Board.

II. APPLICABLE LAW

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of a determination of the County Board of Equalization is de novo.²
11. When the Commission considers an appeal of a decision of a county board of equalization, there are two burdens of proof.³
12. The first involves a presumption that the board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.⁴ That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary.⁵
13. The second burden of proof requires that from that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented.⁶ The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.⁷

² See Neb. Rev. Stat. § 77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. 14. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁸ Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁹
15. The Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.¹⁰ The County Board need not put on any evidence to support its valuation of the property at issue unless the Taxpayer establishes that the County Board's valuation was unreasonable or arbitrary.¹¹
16. In an appeal, the Commission may determine any question raised in the proceeding upon which an order, decision, determination, or action appealed from is based.¹² The Commission may consider all questions necessary to determine taxable value of property as it hears an appeal or cross appeal.¹³ The Commission may take notice of judicially cognizable facts, may take notice of general, technical, or scientific facts within its specialized knowledge, and may utilize its experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to it.¹⁴ The Commission's Decision and Order shall include findings of fact and conclusions of law.¹⁵

III. FINDINGS OF FACT & CONCLUSIONS OF LAW

17. The Subject Property is a residential parcel improved with a 2,244-square-foot, two-story residence constructed in 2000. The Subject Property has quality and condition ratings of average.
18. The Taxpayer alleged that the increase in the assessed value of the Subject Property from the prior assessment year was unreasonable or arbitrary.
19. The assessed value for real property may be different from year to year according to the circumstances.¹⁶ For this reason, a prior year's assessment is not relevant to the subsequent year's valuation.¹⁷
20. The Taxpayer alleged that the assessed value of the Subject Property was not equalized with other comparable properties.
21. The Taxpayer presented information from the County Assessor's web site regarding several properties near the Subject Property.
22. The Taxpayer alleged that all the properties presented had the same floorplan but that their assessed square footage was different.
23. Comparable properties share similar use (residential, commercial/industrial, or agricultural), physical characteristics (size, shape, and topography), and location.¹⁸
24. "A sales comparison adjustment is made to account (in dollars or a percentage) for a specific difference between the subject property and a comparable property."¹⁹ "As the comparable is made more like the subject, its price is brought closer to the subject's unknown value."²⁰

25. The Taxpayer did not present the PRF for the properties presented as comparables. Accordingly, the Commission cannot see the basis for the determination of assessed value for the properties presented by the Taxpayer or compare their characteristics to the characteristics of the Subject Property. The Commission is unable to determine the contribution of the different characteristics of the properties contained in the Taxpayers table to the Subject Property.²¹
26. The County Board presented the Property Record File (PRF) for the Subject Property. The PRF contains information about the characteristics of the Subject Property and information regarding the qualified sales that occurred in the economic area of the Subject Property. This information was used to determine the value attributed to each of the residential properties in the area, including the Subject Property.
27. The PRF for the Subject Property contains a sketch of the residence showing the square footage assessed and how it was determined. Without the PRF for the properties offered as comparables, the Commission is unable to determine how the different square footage amounts were calculated, or any differences in garage size, bump outs, or interior staircases.
28. The Taxpayer alleged that the assessed value of the Subject Property should be reduced based on its condition.
29. The Taxpayer discussed the driveway, porch, foundation, windows, kitchen, and basement and presented photographs of portions of these areas.
30. The Taxpayer presented an estimate for the replacement of the windows on the Subject Property.
31. The Taxpayer presented an insurance claim for water damage

²¹ For this reason, the Order for Single Commissioner Hearing and Notice issued to the Taxpayer on February 8, 2024, includes the following:

NOTE: *Copies of the County's Property Record File for any property you will present as a comparable parcel should be provided so that your claim can be properly analyzed. The information provided on the County's web page **is not** a property record file. A Property Record File is only maintained in the office of the County Assessor and should be obtained from that office prior to the hearing.*

- remediation of the basement that occurred in October of 2023.
32. The assessment date at issue in this appeal is January 1, 2023, prior to the date of the water damage.²² The Commission must determine the value of the Subject Property prior to the basement water damage.
 33. The PRF shows that the County Assessor has given the Subject Property a condition rating of average.
 34. The Taxpayer has not demonstrated that the condition rating of average as determined by the County Assessor is unreasonable or arbitrary.
 35. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
 36. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.
