BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW COMMISSION

GLENBROOK LLC APPELLANT, V. LANCASTER COUNTY BOARD OF EQUALIZATION, APPELLEE.	CASE NO: 24C 1056 DECISION AND ORDER AFFIRMING THE DECISION OF THE LANCASTER COUNTY BOARD OF EQUALIZATION

I. BACKGROUND

1. The Subject Property is an improved commercial parcel in Lancaster County, parcel number 10-25-115-010-000.
2. The Lancaster County Assessor (the County Assessor) assessed the Subject Property at $1,247,800 for tax year 2024.
3. Glenbrook LLC (the Taxpayer) protested this value to the Lancaster County Board of Equalization (the County Board).
4. The County Board determined that the taxable value of the Subject Property was $1,247,800 for tax year 2024.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on November 18, 2025, at the Tax Equalization and Review Commission Hearing Room, Nebraska State Office Building, Lincoln, Nebraska, before Commissioner Jackie S. Russell.
7. David Clausen (Attorney) was present at the hearing for the Taxpayer.
8. Pricilla Hruby (Appraiser) was present for the County Board.

II. APPLICABLE LAW

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.[1]
10. The Commission's review of a determination of the County Board of Equalization is de novo.[2]
11. When the Commission considers an appeal of a decision of a county board of equalization, there are two burdens of proof.[3]
12. The first involves a presumption that the board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.[4] That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary.[5]
13. The second burden of proof requires that from that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented.[6] The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.[7]
14. The order, decision, determination or action appealed from shall

be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.[8] Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.[9]

15. The Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.[10] The County Board need not put on any evidence to support its valuation of the property at issue unless the Taxpayer establishes that the County Board's valuation was unreasonable or arbitrary.[11]

16. In an appeal, the Commission may determine any question raised in the proceeding upon which an order, decision, determination, or action appealed from is based.[12] The Commission may consider all questions necessary to determine taxable value of property as it hears an appeal or cross appeal.[13] The Commission may take notice of judicially cognizable facts, may take notice of general, technical, or scientific facts within its specialized knowledge, and may utilize its experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to it.[14] The Commission's Decision and Order shall include findings of fact and conclusions of law.[15]

III. FINDINGS OF FACT & CONCLUSIONS OF LAW

17. The Subject Property is commercial parcel with two buildings totaling 19,568 square feet gross building area, attached paved parking, and an additional 0.33-acre paved parking lot.
18. The Taxpayer stated that the Subject Property value was arbitrary and unreasonable based on the recent purchase price.
19. The Taxpayer purchased the property on May 29, 2024, for $800,000.
20. "It is true that the purchase price of property may be taken into consideration in determining the actual value thereof for assessment purposes, together with all other relevant elements pertaining to such issue; however, standing alone, it is not conclusive of the actual value of property for assessment purposes. Other matters relevant to the actual value thereof must be considered in connection with the sale price to determine actual value. Sale price is not synonymous with actual value or fair market value."[16]
21. "Pursuant to § 77-112, the statutory measure of actual value is not what an individual buyer may be willing to pay for property, but, rather, its market value in the ordinary course of trade."[17]
22. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach.[18]
23. The Appraiser stated that the Subject Property value was developed using local market data in an income approach to value. The income approach can be found within the Property Record File (PRF) of the Subject Property, submitted by the Appraiser for review.
24. The Appraiser provided PRFs for comparable properties showing

uniformity and equalization of the income approach within Lancaster County using professionally accepted appraisal practices.

25. The Taxpayer has produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
26. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.
