DAN KNOSP
APPELLANT,

CASE NO: 24R 0697

V.

DODGE COUNTY BOARD OF
EQUALIZATION,
APPELLEE.

DECISION AND ORDER
AFFIRMING THE DECISION
OF THE DODGE COUNTY
BOARD OF EQUALIZATION

I. BACKGROUND

1. The Subject Property is a residential parcel improved with a garage in Dodge County, parcel number 270012754.
2. The Dodge County Assessor (the County Assessor) assessed the Subject Property at \$41,583 for tax year 2024.
3. Dan Knosp (the Taxpayer) protested this value to the Dodge County Board of Equalization (the County Board).
4. The County Board determined that the taxable value of the Subject Property was \$37,590 for tax year 2024.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on June 23, 2025, at the Tax Equalization and Review Commission Hearing Room, Nebraska State Office Building, Lincoln, Nebraska, before Commissioner James D. Kuhn.
7. Dan Knosp was present at the hearing for the Taxpayer.
8. Mitch Hart (the Appraiser) was present for the County Board.

II. APPLICABLE LAW

9. All real property in Nebraska subject to taxation shall be

- assessed as of the effective date of January 1.¹
10. The Commission's review of a determination of the County Board of Equalization is de novo.²
 11. When the Commission considers an appeal of a decision of a county board of equalization, there are two burdens of proof.³
 12. The first involves a presumption that the board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.⁴ That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary.⁵
 13. The second burden of proof requires that from that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented.⁶ The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.⁷
 14. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or

"When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. arbitrary.⁸ Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁹

15. The Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.¹⁰ The County Board need not put on any evidence to support its valuation of the property at issue unless the Taxpayer establishes that the County Board's valuation was unreasonable or arbitrary.¹¹
16. In an appeal, the Commission may determine any question raised in the proceeding upon which an order, decision, determination, or action appealed from is based.¹² The Commission may consider all questions necessary to determine taxable value of property as it hears an appeal or cross appeal.¹³ The Commission may take notice of judicially cognizable facts, may take notice of general, technical, or scientific facts within its specialized knowledge, and may utilize its experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to it.¹⁴ The Commission's Decision and Order shall include findings of fact and conclusions of law.¹⁵

III. FINDINGS OF FACT & CONCLUSIONS OF LAW

17. The Taxpayer stated there is an equalization issue with the Subject Property and its neighboring parcels. A gWorks paper was provided with parcel numbers surrounding the Subject Property with handwritten with county values per square foot. No property lines are on the gWorks paper showing property lines or boundaries. Partial property record files (PRF) were provided for comparable properties however they are not the detailed PRF's needed by the Commission to determine comparability to the Subject Property.
18. The Taxpayer stated the referee at the county protest agreed the value should be lowered and suggested a value of \$27,430.
19. The Appraiser stated the condition of the garage on the Subject Property be lowered from "poor" to "very poor" and recommended a total value of \$37,590.
20. The Appraiser stated all land values in the neighborhood are equalized and valued on a tier system depending on total square footage. The Appraiser provided a spreadsheet with all the properties in the Cloverly subdivision, and the systematic valuation used for all properties.
21. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
22. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.

IV. ORDER

IT IS ORDERED THAT:

1. The decision of the County Board of Equalization determining the taxable value of the Subject Property for tax year 2024 is affirmed.
