

**BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW
COMMISSION**

MARK M. SCHORR
APPELLANT,

CASE NO: 24R 0846

V.

DECISION AND ORDER
AFFIRMING THE DECISION
OF THE LANCASTER
COUNTY BOARD OF
EQUALIZATION

LANCASTER COUNTY
BOARD OF EQUALIZATION,
APPELLEE.

I. BACKGROUND

1. The Subject Property is an improved residential parcel in Lancaster County, parcel number 16-09-427-004-000.
2. The Lancaster County Assessor (the County Assessor) assessed the Subject Property at \$688,100 for tax year 2024.
3. Mark M. Schorr (the Taxpayer) protested this value to the Lancaster County Board of Equalization (the County Board).
4. The County Board determined that the taxable value of the Subject Property was \$688,100 for tax year 2024.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on December 17, 2024, at the Tax Equalization and Review Commission Hearing Room, Nebraska State Office Building, Lincoln, Nebraska, before Commissioner James D. Kuhn.
7. Mark M. Schorr was present at the hearing for the Taxpayer.
8. Tim Johns (the Appraiser) was present for the County Board.

II. APPLICABLE LAW

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of a determination of the County Board of Equalization is de novo.²
11. When the Commission considers an appeal of a decision of a county board of equalization, there are two burdens of proof.³
12. The first involves a presumption that the board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.⁴ That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary.⁵
13. The second burden of proof requires that from that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented.⁶ The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.⁷

² See Neb. Rev. Stat. § 77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. Cedar Cty. Freeholder Bd.*, 276 Neb. 1009, 1019, 759 N.W.2d 464, 473 (2009).

14. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁸ Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁹
15. The Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.¹⁰ The County Board need not put on any evidence to support its valuation of the property at issue unless the Taxpayer establishes that the County Board's valuation was unreasonable or arbitrary.¹¹
16. In an appeal, the Commission may determine any question raised in the proceeding upon which an order, decision, determination, or action appealed from is based.¹² The Commission may consider all questions necessary to determine taxable value of property as it hears an appeal or cross appeal.¹³ The Commission may take notice of judicially cognizable facts, may take notice of general, technical, or scientific facts within its specialized knowledge, and may utilize its experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to it.¹⁴ The Commission's Decision and Order shall include findings of fact and conclusions of law.¹⁵

III. FINDINGS OF FACT & CONCLUSIONS OF LAW

17. The Subject Property is a two-story, single-family home built in 1992 with above ground living area of 3,245 square feet (SF), basement area of 1,355 SF with 950 SF full finish, and a built-in garage with 759 SF. The overall quality ratings are “good” and condition ratings are “typical”. The Subject Property had a kitchen remodel in 2015.
18. The Taxpayer stated that the Subject Property’s value is not equalized with the neighborhood and therefore, arbitrary and unreasonable.
19. The Taxpayer presented seven properties for comparison with their corresponding Douglas County website printouts and property record files (PRF) for each property discussed.
20. Five of the Taxpayer’s comparable properties are in a different neighborhood. The Appraiser stated those five comparable properties are in a “intermediate-high” neighborhood valuation model whereas the Subject Property is in a high valuation model.
21. Two of the Taxpayer’s comparable properties were from the same neighborhood as the Subject Property, however one of the comparable properties is a single-story home. Single story homes are not considered comparable to a two-story home for appraisal purposes. The comparable property at 5655 Hickory Crest is a two-story home with similar square footage, age and same quality and condition.
22. The Appraiser stated the comparable at 5655 Hickory Crest is given a 10% negative land adjustment for being on Old Cheney Rd. and having a smaller lot size whereas the Subject Property has a 10% positive land adjustment given to all high value model homes in a cul-de-sac.
23. “If a taxpayer's property is assessed at a value in excess of its actual value, or in excess of that value at which others are

taxed, then the taxpayer has a right to relief.”¹⁶ However, the burden is on the taxpayer to show by clear and convincing evidence that the valuation placed upon the taxpayer’s property when compared with valuation placed on other similar property is grossly excessive.¹⁷ This burden requires evidence of the assessed and market value for both the Subject Property and a comparable property.

24. The Taxpayer did not provide evidence of the actual value of the Subject Property for tax year 2024.
25. The Appraiser provided a packet of information for the Subject Property including the PRF. The information details the Subject Property’s components of contributory value, the subsequent cost approach to value, sales from the Subject Property neighborhood, and the impact of the market sales data on the property’s valuation using professionally accepted mass appraisal practices.
26. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
27. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.

IV. ORDER

IT IS ORDERED THAT:

1. The decision of the County Board of Equalization determining the taxable value of the Subject Property for tax year 2024 is affirmed.
