

**BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW
COMMISSION**

THOMAS V. HODGE
APPELLANT,

CASE NO: 25R 0878

v.

DOUGLAS COUNTY BOARD
OF EQUALIZATION,
APPELLEE.

DECISION AND ORDER
AFFIRMING THE DECISION
OF THE DOUGLAS COUNTY
BOARD OF EQUALIZATION

I. BACKGROUND

1. The Subject Property is an improved residential parcel in Douglas County, parcel number 1141577631.
2. The Douglas County Assessor (the County Assessor) assessed the Subject Property at \$581,600 for tax year 2025.
3. Thomas V Hodge (the Taxpayer) protested this value to the Douglas County Board of Equalization (the County Board).
4. The County Board determined that the taxable value of the Subject Property was \$581,600 for tax year 2025.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on June 2, 2026, at the Tax Equalization and Review Commission Hearing Room, Nebraska State Office Building, Lincoln, Nebraska, before Commissioner James D. Kuhn.
7. Thomas V. Hodge was present at the hearing for the Taxpayer.
8. Michael Lunkwitz (Appraiser) was present for the County Board.

II. APPLICABLE LAW

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of a determination of the County Board of Equalization is de novo.²
11. When the Commission considers an appeal of a decision of a county board of equalization, there are two burdens of proof.³
12. The first involves a presumption that the board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.⁴ That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary.⁵
13. The second burden of proof requires that from that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented.⁶ The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.⁷

² See Neb. Rev. Stat. § 77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. 14. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁸ Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁹
15. The Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.¹⁰ The County Board need not put on any evidence to support its valuation of the property at issue unless the Taxpayer establishes that the County Board's valuation was unreasonable or arbitrary.¹¹
16. In an appeal, the Commission may determine any question raised in the proceeding upon which an order, decision, determination, or action appealed from is based.¹² The Commission may consider all questions necessary to determine taxable value of property as it hears an appeal or cross appeal.¹³ The Commission may take notice of judicially cognizable facts, may take notice of general, technical, or scientific facts within its specialized knowledge, and may utilize its experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to it.¹⁴ The Commission's Decision and Order shall include findings of fact and conclusions of law.¹⁵

III. FINDINGS OF FACT & CONCLUSIONS OF LAW

17. The Taxpayer asserted at the hearing that the Subject Property received a large assessment increase while none of his neighbors received any increase to their assessed values.
18. The assessed value for real property may be different from year to year according to the circumstances.¹⁶ For this reason, a prior year's assessment is not relevant to the subsequent year's valuation.¹⁷ Similarly, prior assessments of other properties are not relevant to the subsequent assessment.¹⁸
19. The mere fact of an increase to one property and not others is similarly not competent evidence that the decision of the County Board was incorrect.
20. The Taxpayer provided a handwritten list of properties and their 2024 assessed values, as well as whether their 2025 assessed values increases. At least one of the listed properties has the note "Condos" next to the values.
21. The Taxpayer also provided printed pages from the Douglas County Assessor's website for several neighboring properties the Taxpayer asserts show the assessed values per square foot for those properties are lower than the Subject Property's assessed value per square foot.
22. First, the Taxpayer calculated the assessed values per square foot by taking the total assessed values and dividing them by the square footage of the improvements.
23. The Taxpayer's method is not identified in statute and no evidence of its professional acceptance as an accepted mass appraisal method has been produced. Therefore, the Commission finds it does not constitute competent evidence and gives it little weight.

24. Second, the Taxpayer provided no property record files (PRFs) for any of the properties presented. Without the details contained in the PRF, the Commission is unable to determine whether the properties discussed are comparable to the Subject Property.¹⁹
25. Finally, none of the information presented by the Taxpayer demonstrates the value determined by the County Board is incorrect or disqualifed with any other parcel.
26. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
27. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.

IV. ORDER

IT IS ORDERED THAT:

1. The decision of the County Board of Equalization determining the taxable value of the Subject Property for tax year 2025 is affirmed.
2. The taxable value of the Subject Property for tax year 2025 is:

Land	\$ 47,800
<u>Improvements</u>	<u>\$533,800</u>
Total	\$581,600

¹⁹ For this reason, the Order for Single Commissioner Hearing and Notice issued to the Taxpayer on April 21, 2026, includes the following:

***NOTE:** Copies of the County's Property Record File for any property you will present as a comparable parcel should be provided so that your claim can be properly analyzed. The information provided on the County's web page is not a property record file. A Property Record File is only maintained in the office of the County Assessor and should be obtained from that office prior to the hearing.*

3. This Decision and Order, if no further action is taken, shall be certified to the Douglas County Treasurer and the Douglas County Assessor, pursuant to Neb. Rev. Stat. § 77-5018.
4. Any request for relief, by any party, which is not specifically provided for by this Decision and Order is denied.
5. Each party is to bear its own costs in this proceeding.
6. This Decision and Order shall only be applicable to tax year 2025.
7. This Decision and Order is effective on June 12, 2026.

SIGNED AND SEALED: June 12, 2026.
