

**BEFORE THE NEBRASKA TAX EQUALIZATION AND REVIEW
COMMISSION**

ROGER B. HOY
APPELLANT,

CASE NO: 25R 1055

v.

DOUGLAS COUNTY BOARD
OF EQUALIZATION,
APPELLEE.

DECISION AND ORDER
AFFIRMING THE DECISION
OF THE DOUGLAS COUNTY
BOARD OF EQUALIZATION

I. BACKGROUND

1. The Subject Property is an improved residential parcel in Douglas County, parcel number 0600670717.
2. The Douglas County Assessor (the County Assessor) assessed the Subject Property at \$198,700 for tax year 2025.
3. Roger B. Hoy (the Taxpayer) protested this value to the Douglas County Board of Equalization (the County Board).
4. The County Board determined that the taxable value of the Subject Property was \$198,700 for tax year 2025.
5. The Taxpayer appealed the determination of the County Board to the Tax Equalization and Review Commission (the Commission).
6. A Single Commissioner hearing was held on June 11, 2026, at the Tax Equalization and Review Commission Hearing Room, Nebraska State Office Building, Lincoln, Nebraska, before Commissioner Jackie S. Russell.
7. Roger Hoy was present at the hearing for the Taxpayer.
8. Kurt Skradis (Appraiser) was present for the County Board.

II. APPLICABLE LAW

9. All real property in Nebraska subject to taxation shall be assessed as of the effective date of January 1.¹
10. The Commission's review of a determination of the County Board of Equalization is de novo.²
11. When the Commission considers an appeal of a decision of a county board of equalization, there are two burdens of proof.³
12. The first involves a presumption that the board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action.⁴ That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary.⁵
13. The second burden of proof requires that from that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented.⁶ The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board.⁷

² See Neb. Rev. Stat. § 77-5016(8) (Reissue 2018), *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 286, 753 N.W.2d 802, 813 (2008). "When an appeal is conducted as a 'trial de novo,' as opposed to a 'trial de novo on the record,' it means literally a new hearing and not merely new findings of fact based upon a previous record. A trial de novo is conducted as though the earlier trial had not been held in the first place, and evidence is taken anew as such evidence is available at the time of the trial on appeal." *Koch v. Cedar Cty. Freeholder Bd.*, 276 Neb. 1009, 1019, 759 N.W.2d 464, 473 (2009).

14. The order, decision, determination or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary.⁸ Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence.⁹
15. The Taxpayer must introduce competent evidence of actual value of the Subject Property in order to successfully claim that the Subject Property is overvalued.¹⁰ The County Board need not put on any evidence to support its valuation of the property at issue unless the Taxpayer establishes that the County Board's valuation was unreasonable or arbitrary.¹¹
16. In an appeal, the Commission may determine any question raised in the proceeding upon which an order, decision, determination, or action appealed from is based.¹² The Commission may consider all questions necessary to determine taxable value of property as it hears an appeal or cross appeal.¹³ The Commission may take notice of judicially cognizable facts, may take notice of general, technical, or scientific facts within its specialized knowledge, and may utilize its experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to it.¹⁴ The Commission's Decision and Order shall include findings of fact and conclusions of law.¹⁵

III. FINDINGS OF FACT & CONCLUSIONS OF LAW

17. The Subject Property is a single-family, multi-level home built in 1960 with 1,448 square feet (SF) above grade, basement area of 1,448 SF, and 550 SF fair quality basement finish. There are one full bath and two half baths in the home. The overall quality rating is average, and the condition rating is fair.
18. The Taxpayer argued that the Subject Property's valuation is arbitrary and unreasonable due to the condition of the property.
19. The Taxpayer stated that the County Board lowered the property value on protest in 2023 due to the same issues, the value then stayed the same in 2024, and the board did not take action for the same issues discussed at the 2025 protest hearing.
20. The assessed value for real property may be different from year to year according to the circumstances.¹⁶ For this reason, a prior year's assessment is not relevant to the subsequent year's valuation.¹⁷
21. The Taxpayer stated that the home is functional, but there are several deferred maintenance issues that need to be fixed including the kitchen flooring, exposed wiring in the kitchen due to removing a wall, an access hole in the bathroom to fix plumbing above the toilet, a patch in the roof, and mold in the basement. The electricity in the home also operates on a fuse box.
22. The Commission was shown photos of the areas addressed by the Taxpayer to analyze at the hearing.
23. The Appraiser attested that the Subject Property's condition rating of "fair" shows that the property is still in a functional state and accounts for an increased amount of deferred maintenance as discussed by the Taxpayer and impacts the Subject Property's value with a downward adjustment.

24. The Taxpayer has not presented information to demonstrate that the condition rating of fair for the Subject Property for tax year 2025 was arbitrary or unreasonable.
25. The Appraiser stated that the Subject Property's neighborhood was revalued for the 2025 tax year.
26. The revaluation of a neighborhood of properties results in increases (or decreases) to each property in the market study area and is dependent upon the property data components and comparable sales within the study period when applying new valuations.
27. The Appraiser provided a packet of information for the Subject Property including the Property Record File. The information details the Subject Property's components of contributory value, the subsequent cost approach to value, sales from the Subject Property's neighborhood, and the impact of the market sales data on the property's valuation using professionally accepted mass appraisal practices.
28. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its duties and to act on sufficient competent evidence to justify its actions.
29. The Taxpayer has not adduced clear and convincing evidence that the determination of the County Board is arbitrary or unreasonable and the decision of the County Board should be affirmed.
