AND REVIEW COMMISSION**

RICHARD A. GRAY,	)	
	)	
Appellant,	)	Case No 06R-007
	)	
v.	)	DECISION AND ORDER AFFIRMING
	)	THE DECISION OF THE DOUGLAS
DOUGLAS COUNTY BOARD OF	)	COUNTY BOARD OF EQUALIZATION
EQUALIZATION,	)	
	)	
Appellee.	)	

The above-captioned case was called for a hearing on the merits of an appeal by Richard A. Gray ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on July 9, 2007, pursuant to an Order for Hearing and Notice of Hearing issued January 23, 2007. Commissioners Wickersham, Warnes, and Sorensen were present. Commissioner Warnes presided at the hearing.

Richard A. Gray, was present at the hearing. No one appeared as legal counsel for the Taxpayer.

Thomas S. Barrett, a Deputy County Attorney for Douglas County, Nebraska, appeared as legal counsel for the Douglas County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits and heard testimony.

The Commission is required by Neb. Rev. Stat. §77-5018 (Cum. Supp. 2006) to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. The final decision and order of the Commission in this case is as follows.

**I.  
ISSUES**

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2006, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining taxable value of the subject property is unreasonable or arbitrary;

Whether the taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2006.

**II.  
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property to which this appeal pertains is described as BRYN MAWR LOT 3 BLOCK 0 IRREG OMAHA, in Douglas County, Nebraska, ("the subject property").
3. Actual value of the subject property placed on the assessment roll as of January 1, 2006, ("the assessment date") by the Douglas County Assessor, value as proposed in a timely

protest, and actual value as determined by the County Board is shown in the following table:

Case No. 06R-007

Description: BRYN MAWR LOT 3 BLOCK 0 IRREG OMAHA, DOUGLAS COUNTY, NEBRASKA

	Assessor Notice Value	Taxpayer Protest Value	Board Determined Value
Land	\$ 34,300.00	\$	\$ 34,400.00

Total	\$339,300.00	\$274,298.00	\$320,400.00

4. An appeal of the County Board's decision was filed with the Commission.
5. The County Board was served with a Notice in Lieu of Summons and duly answered that Notice.
6. An Amended Order for Hearing and Notice of Hearing issued on January 23, 2007, set a hearing of the appeal for July 9, 2007, at 3:00 p.m. CDST.
7. An Affidavit of Service which appears in the records of the Commission establishes that a copy of the Order for Hearing and Notice of Hearing was served on all parties.
8. Actual value of the subject property as of the assessment date for the tax year 2006 is:

Land value	\$ 34,400.00
Improvement value	<u>\$286,000.00</u>
Total value	<u>\$320,400.00.</u>

### III. APPLICABLE LAW

1. Subject matter jurisdiction of the Commission in this appeal is over issues raised during the county board of equalization proceedings. *Arcadian Fertilizer, L.P. v. Sarpy County Bd. of Equalization*, 7 Neb.App. 655, 584 N.W.2d 353, (1998).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2003).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2003).
4. Use of all of the statutory factors for determination of actual value is not required. All that is required is use of the applicable factors. *First National Bank & Trust of Syracuse v. Otoe Cty.*, 233 Neb. 412, 445 N.W.2d 880 (1989).

5. “Actual value, market value, and fair market value mean exactly the same thing.”  
*Omaha Country Club v. Douglas County Board of Equalization, et al.*, 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 ( 2002).
6. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2003).
7. All taxable real property, with the exception of qualified agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Cum. Supp. 2006).
8. “Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution.” *Neb. Const.*, art. VIII, §1
9. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623, (1999).
10. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
11. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable*

*Life v. Lincoln County Bd. of Equal.*, 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).

12. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
13. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).
14. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
15. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *Omaha Country Club v. Douglas County Bd. of Equalization*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
16. The presumption that a county board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to

justify its action remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary. *Omaha Country Club v. Douglas County Bd. of Equalization*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).

17. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987) (citations omitted)
18. The Commission can grant relief only if there is clear and convincing evidence that the action of the County Board was unreasonable or arbitrary. See. Neb. Rev. Stat. §77-5016 (8) (Cum. Supp. 2006). and e.g. *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
19. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
20. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736, (2000).

21. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447, (1999).
22. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 168, 580 N.W.2d 561, 566 (1998).
23. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by county assessor, failed to meet burden of proving that value of her property was not fairly and proportionately equalized or that valuation placed upon her property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).
24. Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981).

#### **IV. ANALYSIS**

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2006, is not equalized with the taxable value of other real property.

The Form 422 filed by the Taxpayer, Exhibit 15:1, recites under the section "Reasons for requested valuation change" that a document had been attached to the protest form. This

attachment, Exhibit 16:1, itemizes the basis for the Taxpayer's protest. Three parcels are listed as "comparable" to the subject property, all of which are in the immediate vicinity. The Taxpayer's primary allegation is that the parcels listed, while comparable to the subject property, have taxable values lower than the subject property for the tax year 2006.

Another concern of the Taxpayer is that the referees determination of taxable value of \$275,000, Exhibit 15:2, was not approved by the coordinator, Exhibit 15:3, and a new taxable value of \$320,400 was recommended. The Commission cannot upon review of the exhibits or testimony solicited by the Taxpayer, determine how the valuations were derived by either the referee or the coordinator.

The Taxpayer testified that the parcels he would invite comparison to are shown in "boxes" on Exhibit 2:1. There are four identified parcels provided for comparison. Two of these parcels are the same as on the attachment to the Form 422, but two additional parcels are included, 1614 N 131 Ave and 1705 N 131 Ave Cir. There were no property record files provided for these parcels by either the Taxpayer or the County. The Commission is unable to compare the parcels to the subject property without the required property record files.

The Taxpayer did provide internet website "screen shots" of the four parcels listed on Exhibit 2:1. These website screen shots do not provide to the Commission the complete list of improvements and the valuation assigned for each, making it difficult for the Commission to determine if the parcels provided by the Taxpayer are in fact comparable to the subject property.

“Equalization is the process of ensuring that all taxable property is placed on the assessment rolls at a uniform percentage of its actual value. The purpose of equalization of

assessments is to bring assessments from different parts of the taxing district to the same relative standard, so that no one part is compelled to pay a disproportionate share of the tax. Where it is impossible to secure both the standards of the true value of a property for taxation and the uniformity and equality required by law, the latter requirement is to be preferred as the just and ultimate purpose of the law. If a taxpayer's property is assessed in excess of the value at which others are taxed, then the taxpayer has a right to relief. However, the burden is on the taxpayer to show by clear and convincing evidence that the valuation placed upon the taxpayer's property when compared with valuation placed on other similar property is grossly excessive.” *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597, 597 N.W.2d 623, 635 (1999).

Where “the discrepancy was not the result of an error of judgment but was a deliberate and intentional discrimination systematically applied” the Taxpayer’s right to relief is clear. *Newman v County of Dawson*, 167 Neb.666, 94 N.W.2d 47 (1959) “The right of the taxpayer whose property alone is taxed at 100 per cent of its true value is to have his assessment reduced to the percentage of that value at which others are taxed even though this is a departure from the requirement of statute. The conclusion is based on the principle that where it is impossible to secure both the standards of the true value, and the uniformity and equality required by law, the latter requirement is to be preferred as the just and ultimate purpose of the law.” *Kearney Convention Center v. Buffalo County Board of Equalization*, 216 Neb. 292, 304, 344 N.W.2d 620, 626 (1984).

The Taxpayer has not proven by clear and convincing evidence the burden of proof as stated. The Taxpayer's appeal is denied.

**V.  
CONCLUSIONS OF LAW**

2. The Commission has jurisdiction over the parties to this appeal.
3. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decision of the County Board is unreasonable or arbitrary and the decision of the County Board should be affirmed.
