Appellee.)	

The above-captioned case was called for a hearing on the merits of an appeal by Jerry Nielsen, Trustee, of the Hans N. & Maxine E. Nielsen Trust ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on February 27, 2007, pursuant to an Order for Hearing and Notice of Hearing issued December 20, 2006. Commissioners Wickersham, Lore, and Hans were present. Commissioner Wickersham presided at the hearing.

Jerry Nielsen, Trustee of Hans N. & Maxine E. Nielsen Trust, was present at the hearing. No one appeared as legal counsel for the Taxpayer.

Stacey Hultquist, a Deputy County Attorney for Dodge County, Nebraska, appeared as legal counsel for the Dodge County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits and heard testimony.

The Commission is required by Neb. Rev. Stat. §77-5018 (Cum. Supp. 2006) to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on

the record or in writing. The final decision and order of the Commission in this case is as follows.

**I.
ISSUES**

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2006, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Was the decision of the County Board determining taxable value of the subject property unreasonable or arbitrary?

Was taxable value of the subject property determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1?

What was the equalized taxable value of the subject property on January 1, 2006?

**II.
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property described below is the ("subject property").
3. Actual value of the subject property placed on the assessment roll as of January 1, 2006, ("the assessment date") by the Dodge County Assessor, value as proposed in a timely

protest, and actual value as determined by the County Board is shown in the following table:

Case No. 06R-138

Description: Tax Lot 12, Section 30, Township 17, Range 9, Dodge County, Nebraska.

	Assessor Notice Value	Taxpayer Protest Value	Board Determined Value

Improvement	\$165,390.00	\$not protested	\$165,390.00
Total	\$205,420.00	\$not stated	\$205,420.00

4. An appeal of the County Board's decision was filed with the Commission.
5. The County Board was served with a Notice in Lieu of Summons and duly answered that Notice.
6. An Order for Hearing and Notice of Hearing issued on December 20, 2006, set a hearing of the appeal for February 27, 2007, at 11:00 a.m. CST.
7. An Affidavit of Service which appears in the records of the Commission establishes that a copy of the Order for Hearing and Notice of Hearing was served on all parties.
8. Actual value of the subject property as of the assessment date for the tax year 2006 is:

Land value \$ 40,030.00

III. APPLICABLE LAW

1. Subject matter jurisdiction of the Commission in this appeal is over issues raised during the county board of equalization proceedings. *Arcadian Fertilizer, L.P. v. Sarpy County Bd. of Equalization*, 7 Neb.App. 655, 584 N.W.2d 353, (1998).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2003).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2003).
4. Use of all of the statutory factors for determination of actual value is not required. All that is required is use of the applicable factors. *First National Bank & Trust of Syracuse v. Otoe Cty.*, 233 Neb. 412, 445 N.W.2d 880 (1989).

5. “Actual value, market value, and fair market value mean exactly the same thing.”

6. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2003).
7. All taxable real property, with the exception of qualified agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Cum. Supp. 2006).
8. “Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution.” *Neb. Const.*, art. VIII, §1
9. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623, (1999).
10. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
11. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable*

14. The presumption that a county board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence adduced on appeal to the contrary. *Omaha Country Club v. Douglas County Bd. of Equalization*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
15. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987) (citations omitted)

16. The Commission can grant relief only if there is clear and convincing evidence that the action of the County Board was unreasonable or arbitrary. See. Neb. Rev. Stat. §77-5016 (7) (Supp. 2005).
17. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
18. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736, (2000).
19. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447, (1999).

IV. ANALYSIS

The subject property is an improved residential parcel. Only the actual value of the land was disputed by the Taxpayer. The County Board determined that the first acre of the parcel had a value of \$40,000.00 and that each additional acre had a value of \$1,600.00 with a pro rata adjustment for a partial acre. The Taxpayer contended that if one acre of land was worth \$40,000.00 that two acres of land should be worth \$80,000.00. The Taxpayer also contended that either the neighboring tracts, one 2 acres in size and another 2.1 acres in size, should have a higher taxable value, or the subject property should have a lower taxable value so that the taxable value of the subject property would be equalized.

The Taxpayer testified that it was not possible to build a residence on a one acre site due to sanitary sewer considerations. The Taxpayer also testified that the land in excess of one acre held by owners of adjoining tracts had little utility or potential use because it could not be used for a home site separate from the existing site. The Taxpayer testified that there were no recent sales of undeveloped residential parcels in the neighborhood of the subject property.

Equalization requires a comparison of actual value to assessed value. There is no evidence that assessed value of the subject property or the comparables is not actual value and that the ratio of assessed to taxable value is not equal for each.. The Commission cannot determine that the decision of the County Board was unreasonable or arbitrary.

**V.
