DOUGLAS COUNTY BOARD OF)	THE DOUGLAS COUNTY BOARD OF
EQUALIZATION,)	EQUALIZATION
)	
Appellee.)	

The above-captioned case was called for a hearing on the merits of an appeal by Stephanie S. Horeis ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on November 13, 2008, pursuant to an Order for Hearing and Notice of Hearing issued September 17, 2008. Commissioners Warnes and Hotz were present. Commissioner Warnes was the presiding hearing officer. Commissioner Wickersham was excused from participation by the presiding hearing officer. Commissioner Salmon was absent. The appeal was heard by a quorum of a panel of the Commission

Rod Anderson, husband of Stephanie S. Horeis, was present at the hearing without legal counsel.

Thomas S. Barrett, a Deputy County Attorney for Douglas County, Nebraska, was present as legal counsel for the Douglas County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits, and heard testimony.

The Commission is required to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. Neb. Rev. Stat. §77-

5018 (Cum. Supp. 2006). The final decision and order of the Commission in this case is as follows.

**I.
ISSUES**

The Taxpayer has asserted that actual value of the subject property as of January 1, 2007, is less than actual value as determined by the County Board. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining actual value of the subject property is unreasonable or arbitrary; and

The actual value of the subject property on January 1, 2007.

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2007, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining the equalized taxable value of the subject property is unreasonable or arbitrary;

Whether the equalized taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2007.

**II.
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property to which this appeal pertains ("the Subject Property") is described in the table below.
3. Actual value of the subject property placed on the assessment roll as of January 1, 2007, ("the assessment date") by the Douglas County Assessor, value as proposed in a timely protest, and actual value as determined by the County Board is shown in the following table:

4. An appeal of the County Board's decision was filed with the Commission.
5. The County Board was served with a Notice in Lieu of Summons and duly answered that Notice.

Total value	<u>\$531,600.00.</u>

**III.
APPLICABLE LAW**

1. Subject matter jurisdiction of the Commission in this appeal is over all questions necessary to determine taxable value. Neb. Rev. Stat. §77-5016(7) (Supp. 2007).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2003).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2003).
4. “Actual value, market value, and fair market value mean exactly the same thing.” *Omaha Country Club v. Douglas County Board of Equalization, et al.*, 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 (2002).

5. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2003).
6. All taxable real property, with the exception of agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Cum. Supp. 2006).
7. "Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution." *Neb. Const.*, Art. VIII, §1.
8. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
9. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
10. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable Life v. Lincoln County Bd. of Equal.*, 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).

11. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
12. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).
13. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
14. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *City of York v. York County Bd. Of Equalization*, 266 Neb. 297, 64 N.W.2d 445 (2003).
15. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions

- governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987).
16. The presumption disappears if there is competent evidence to the contrary. *Id.*
 17. The order, decision, determination, or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016 (8) (Cum. Supp. 2006).
 18. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence. See, e.g. *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
 19. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
 20. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736 (2000).
 21. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447 (1999).
 22. "An owner who is familiar with his property and knows its worth is permitted to testify as to its value." *U. S. Ecology v. Boyd County Bd. Of Equalization*, 256 Neb. 7, 16, 588 N.W.2d 575, 581 (1999).

23. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 580 N.W.2d 561 (1998).
24. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by the county assessor, failed to meet burden of proving that value of property was not fairly and proportionately equalized or that valuation placed upon property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).
25. A Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. Cf. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981); *Arenson v. Cedar County*, 212 Neb. 62, 321 N.W.2d 427 (1982) (determination of equalized values); and *Josten-Wilbert Vault Co. v. Board of Equalization for Buffalo County*, 179 Neb. 415, 138 N.W.2d 641 (1965) (determination of actual value).

IV. ANALYSIS

The subject property is an improved residential parcel, built in 1929. (E8:1) The improvements consist of a brick two-story residence with 3,386 square feet of finished living area. (E8:1).

The Referee recommended a reduction in assessed value from \$610,000 to \$531,600, and the Board of Equalization determined assessed value to be \$531,600. (E10:2, E10:1).

Subsequent to the Board's decision, and prior to the Commission's hearing, an employee for the

County Assessor inspected the property, which occurred on April 11, 2008. (E7:3). The inspection resulted in a change in the condition rating of the residence from good to average based upon the fact the home had many “original features.” (E7:3). The County Board offered this as evidence in the form of an “Assessor Report.” (E7-9).

A change in the condition rating from good to average reduces the original value set by the County Assessor by \$31,083, from \$610,300 to \$579,186 (E8:4). The Taxpayer provided no other evidence of value to further reduce this amount other than her opinion of value of \$424,000. The Commission finds that the Taxpayer is not entitled to relief based upon valuation.

The Taxpayer and the County Board provided property record cards for seven alleged comparable parcels. (E3-6 and E9 respectively).. If the appropriate adjustments are made to the comparable parcels the result is that the assessed valuation is the same for the subject property and six of the seven alleged comparable properties. The other alleged comparable parcel could not be properly adjusted because the property record card did not indicate a value for the feature 1 ½ story. (E6:6). Since the value of the subject property as determined by the County Board was reduced to an amount that is less than the adjusted values for each of the alleged comparables, the Taxpayer is also not entitled to relief based upon an equalization claim.

The Commission finds that the Taxpayer has not rebutted the presumption that the County Board of Equalization faithfully performed its duties and had sufficient competent evidence for its decision both as to its decision as to valuation and equalization. Despite this fact, the Commission has reviewed all of the evidence presented and further finds that the Taxpayer has not shown by clear and convincing evidence that the County Board’s decision was either arbitrary or unreasonable nor has he shown by the reasonableness of the evidence a new

valuation or that the subject property was not equalized with the taxable value of other real property. The decision of the County Board should be affirmed.

**V.

4. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decision of the County Board is unreasonable or arbitrary and the decision of the County Board should be affirmed.
