| Appellee. |) | |

The above-captioned case was called for a hearing on the merits of an appeal by Al J. Rotella ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on November 17, 2008, pursuant to an Order for Hearing and Notice of Hearing issued September 17, 2008. Commissioners Warnes and Hotz were present. Commissioner Warnes was the presiding hearing officer. Commissioner Wickersham was excused from participation by the presiding hearing officer. A panel of three commissioners was created pursuant to 442 Neb. Admin. Code, ch. 4, §011 (10/07). Commissioner Salmon was absent. The appeal was heard by a quorum of a panel of the Commission.

Al J. Rotella was present at the hearing. No one appeared as legal counsel for the Taxpayer.

Thomas S. Barrett, a Deputy County Attorney for Douglas County, Nebraska, was present as legal counsel for the Douglas County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits, and heard testimony.

The Commission is required to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. Neb. Rev. Stat. §77-5018 (Cum. Supp. 2006). The final decision and order of the Commission in this case is as follows.

**I.
ISSUES**

The Taxpayer has asserted that actual value of the subject property as of January 1, 2007, is less than actual value as determined by the County Board. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining actual value of the subject property is unreasonable or arbitrary; and

The actual value of the subject property on January 1, 2007.

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2007, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining the equalized taxable value of the subject property is unreasonable or arbitrary;

Whether the equalized taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2007.

**II.
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property to which this appeal pertains ("the Subject Property") is described in the table below.
3. Actual value of the subject property placed on the assessment roll as of January 1, 2007, ("the assessment date") by the Douglas County Assessor, value as proposed in a timely protest, and actual value as determined by the County Board is shown in the following table:

Case No. 07R-068

Description: HARGLEROAD ADD LOT 85 BLOCK 0 55 x 140, Douglas County, Nebraska.

| Improvement | \$71,100.00 | \$57,300.00 | \$71,100.00 |
| Total | \$78,000.00 | \$64,200.00 | \$78,000.00 |

4. An appeal of the County Board's decision was filed with the Commission.
5. The County Board was served with a Notice in Lieu of Summons and duly answered that Notice.
6. An Order for Hearing and Notice of Hearing issued on September 17, 2008, set a hearing of the appeal for November 17, 2008, at 1:00 p.m. CST.

7. An Affidavit of Service which appears in the records of the Commission establishes that a copy of the Order for Hearing and Notice of Hearing was served on all parties.
8. Actual value of the subject property as of the assessment date for the tax year 2007 is:

**III.
APPLICABLE LAW**

1. Subject matter jurisdiction of the Commission in this appeal is over all questions necessary to determine taxable value. Neb. Rev. Stat. §77-5016(7) (Supp. 2007).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2003).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2003).

4. “Actual value, market value, and fair market value mean exactly the same thing.”
Omaha Country Club v. Douglas County Board of Equalization, et al., 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 (2002).
5. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2003).
6. All taxable real property, with the exception of agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Cum. Supp. 2006).
7. “Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution.” *Neb. Const.*, Art. VIII, §1.
8. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
9. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
10. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable Life v.*

Lincoln County Bd. of Equal., 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).

11. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
12. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).
13. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
14. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *City of York v. York County Bd. Of Equalization*, 266 Neb. 297, 64 N.W.2d 445 (2003).
15. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that

action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987).

16. The presumption disappears if there is competent evidence to the contrary. *Id.*
17. The order, decision, determination, or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016 (8) (Cum. Supp. 2006).
18. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence. See, e.g. *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
19. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
20. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736 (2000).
21. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447 (1999).

22. “An owner who is familiar with his property and knows its worth is permitted to testify as to its value.” *U. S. Ecology v. Boyd County Bd. Of Equalization*, 256 Neb. 7, 16, 588 N.W.2d 575, 581 (1999).
23. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 580 N.W.2d 561 (1998).
24. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by the county assessor, failed to meet burden of proving that value of property was not fairly and proportionately equalized or that valuation placed upon property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).
25. A Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. Cf. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981); *Arenson v. Cedar County*, 212 Neb. 62, 321 N.W.2d 427 (1982) (determination of equalized taxable value) *Josten-Wilbert Vault Co. v. Board of Equalization for Buffalo County*, 179 Neb. 415, 138 N.W.2d 641 (1965) (determination of actual value).

IV. ANALYSIS

The subject property is an improved residential parcel with a ranch style house built in 1952 with 750 square feet of finished living area of average quality and condition. (E2:2).

The Taxpayer testified it his belief the subject property is not equalized with other comparable parcels. In addition to his testimony, he provided a written version of his position in Exhibit 7 page one. The Taxpayer testified that a referee for the County Board of Equalization agreed with his allegations as shown on the referee report. (E1:4). The referee's report lists three parcels and shows a calculation that divides the assessed valuation for 2007 for each of the parcels by the total square footage of living area. The testimony of the Taxpayer is that he provided the alleged comparable parcels to the referee and the referee used them to make his recommendation that the 2007 valuation of the subject property should be reduced to \$64,400 from that assessed valuation determined by the County Board of Equalization of \$78,000.

The Taxpayer provided Exhibit 7 as evidence of the parcels used by the referee for his comparison. The Commission's Order for Hearing in this appeal, paragraph eleven, requires that the Taxpayer provide the property record file for any property that will be used as a comparison to the subject property. The Commission finds that the Taxpayer's Exhibit 7 is not the property record file for the comparables, but are "screen shots" from the Douglas County website. The Commission's Order specifically cautions Taxpayers from using such "screen shots" from the website because the contents are not as complete and accurate as the property record files. The Commission, using Exhibit 7, has itemized the physical attributes of the alleged comparables to the subject property, Exhibit 3 pages one to five.

| | Subject Property | Comparable #1 | Comparable #2 | Comparable #3 |
|---------------------------------|------------------|-----------------|---------------|---------------|
| Exhibit Number | E3:1-5 | E7:1-2 | E7:3-6 | E7:7-8 |
| Street Address | 5726 Pratt St | 5718 Pratt St | 3725 N 60 St | 3705 N 60 St |
| House Style | Ranch | Raised Ranch | Multi Level | Raised Ranch |
| Living Area (Square Feet) | 750 | 1,056 | 936 | 1,058 |
| Total Basement (Square Feet) | 750 | 1,056 | 936 | 1,058 |
| Basement - Finished | 350 Minimal | 300 Fair Finish | 300 Minimal | 350 Minimal |
| Assessed Valuation 2007 | \$78,000 | \$90,400 | \$80,400 | \$90,100 |
| Quality | Average | Average | Average | Average |
| Condition | Average | Average | Fair | Average |

From the information provided the Commission finds that these three alleged comparable parcels differ from the subject property in style and size and their valuation cannot be compared to the subject property without adjustments.

The Taxpayer and the Referee calculate a value by dividing the assessed valuation of the comparables by their square footage of living area. This calculation and comparison can only be done if the parcels are truly comparable and needing no adjustments.

“Comparable properties” share similar quality, architectural attractiveness (style), age, size, amenities, functional utility, and physical condition. *Property Assessment Valuation, 2nd Ed.*, International Association of Assessing Officers, 1996, p. 98.

When using “comparables” to determine value, similarities and differences between the subject property and the comparables must be recognized. *Property Assessment Valuation, 2nd Ed.*, 1996, p.103. Most adjustments are for physical characteristics. *Property Assessment Valuation, 2nd Ed.*, 1996, p.105. “Financing terms, market conditions, location, and physical

characteristics are items that must be considered when making adjustments . . .” *Property Assessment Valuation*, 2nd Ed., 1996, p. 98.

“Comparing assessed values of other properties with the subject property to determine actual value has the same inherent weakness as comparing sales of other properties with the subject property. The properties must be truly comparable.” *DeBruce Grain, Inc. v. Otoe County Bd. of Equalization*, 7 Neb. App. 688, 697, 584 N.W.2d 837, 843 (1998).

Equalization

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2007, is not equalized with the taxable value of other real property.

“Equalization is the process of ensuring that all taxable property is placed on the assessment rolls at a uniform percentage of its actual value. The purpose of equalization of assessments is to bring assessments from different parts of the taxing district to the same relative standard, so that no one part is compelled to pay a disproportionate share of the tax. Where it is impossible to secure both the standards of the true value of a property for taxation and the uniformity and equality required by law, the latter requirement is to be preferred as the just and ultimate purpose of the law. If a taxpayer's property is assessed in excess of the value at which others are taxed, then the taxpayer has a right to relief. However, the burden is on the taxpayer to show by clear and convincing evidence that the valuation placed upon the taxpayer's property when compared with valuation placed on other similar property is grossly excessive.” *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597, 597 N.W.2d 623, 635 (1999).

The Taxpayer testified that he did not approve of the comparables used by the County Assessor for the valuation of the subject property for 2007, but other than the three properties

shown in Exhibit 7, the Taxpayer did not provide any other evidence of actual value of the subject property. No evidence was provided of sales of alleged comparable parcels.

A taxpayer who offers no evidence that the subject property is valued in excess of its actual value and who only produces evidence that is aimed at discrediting the valuation methods utilized by the county assessor fails to meet his or her burden of proving that the value of the property was not fairly and proportionately equalized or that valuation placed upon the property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).

The Commission finds that the Taxpayer has not provided competent evidence to rebut the presumption that the County Board of Equalization faithfully performed its duties nor did the Taxpayer show by clear and convincing evidence that the determination of the County Board of Equalization was arbitrary or unreasonable. The appeal of the Taxpayer is denied.

V. CONCLUSIONS OF LAW

1. The Commission has subject matter jurisdiction in this appeal.
2. The Commission has jurisdiction over the parties to this appeal.
3. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its official duties and has acted on sufficient competent evidence to justify its actions.

4. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decision of the County Board is unreasonable or arbitrary and the decision of the County Board should be affirmed.
