DOUGLAS COUNTY BOARD OF)	THE DOUGLAS COUNTY BOARD OF
EQUALIZATION,)	EQUALIZATION

Appellee.)	

The above-captioned case was called for a hearing on the merits of an appeal by Kevin R. Boston ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on June 2, 2010, pursuant to an Order for Hearing and Notice of Hearing issued March 5, 2010. Commissioner Warnes, Vice-Chairperson of the Commission, was the presiding hearing officer. Commissioner Wickersham, Chairperson of the Commission, was absent. Commissioner Warnes as Vice-Chairperson acting in the absence of the Chairperson designated Commissioners Warnes, Salmon, and Hotz as a panel of the Commission to hear the appeal. Commissioner Salmon was excused. Commissioner Hotz was present. The appeal was heard by a quorum of a panel of the Commission.

Kevin R. Boston was present at the hearing. No one appeared as legal counsel for the Taxpayer.

Thomas S. Barrett, a Deputy County Attorney for Douglas County, Nebraska, was present as legal counsel for the Douglas County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits, and heard testimony.

The Commission is required to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. Neb. Rev. Stat. §77-5018 (Reissue 2009). The final decision and order of the Commission in this case is as follows.

**I.
ISSUES**

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2008, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining the equalized taxable value of the subject property is unreasonable or arbitrary;

Whether the equalized taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2008.

**II.
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property to which this appeal pertains ("the Subject Property") is described in the table below.

3. Actual value of the subject property placed on the assessment roll as of January 1, 2008, ("the assessment date") by the Douglas County Assessor, value as proposed in a timely protest, and actual value as determined by the County Board is shown in the following table:

Case No. 08R 596

Description: MAENER MEADOWSLOT 3 BLOCK 4 IRREG, Douglas County, Nebraska.

	Assessor Notice Value	Taxpayer Protest Value	Board Determined Value
Land	\$8,400.00	\$7,800.00	\$8,400.00
Improvement	\$113,900.00	\$82,200.00	\$113,900.00
Total	\$122,300.00	\$90,000.00	\$122,300.00

4. An appeal of the County Board's decision was filed with the Commission.
5. The County Board was served with a Notice in Lieu of Summons and duly answered that Notice.
6. An Order for Hearing and Notice of Hearing issued on March 5, 2010, set a hearing of the appeal for June 2, 2010, at 9:00 a.m. CDST.
7. An Affidavit of Service, which appears in the records of the Commission, establishes that a copy of the Order for Hearing and Notice of Hearing was served on all parties.
8. Actual value of the subject property as of the assessment date for the tax year 2008 is:

Case No. 08R 596

Land value	\$8,400.00
Improvement value	<u>\$113,900.00</u>
Total value	<u>\$122,300.00</u>

III. APPLICABLE LAW

1. Subject matter jurisdiction of the Commission in this appeal is over all questions necessary to determine taxable value. Neb. Rev. Stat. §77-5016(7) (Reissue 2009).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2009).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2009).
4. “Actual value, market value, and fair market value mean exactly the same thing.” *Omaha Country Club v. Douglas County Board of Equalization, et al.*, 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 (2002).
5. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2009).

6. All taxable real property, with the exception of agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Reissue 2009).
7. “Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution.” *Neb. Const.*, Art. VIII, §1.
8. Equalization is the process of ensuring that all taxable property is placed on the assessment rolls at a uniform percentage of its actual value. *MAPCO Ammonia Pipeline v. State Bd. of Equal.*, 238 Neb. 565, 471 N.W.2d 734 (1991).
9. The purpose of equalization of assessments is to bring the assessment of different parts of a taxing district to the same relative standard, so that no one of the parts may be compelled to pay a disproportionate part of the tax. *MAPCO Ammonia Pipeline v. State Bd. of Equal.*, 238 Neb. 565, 471 N.W.2d 734 (1991); *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
10. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. See *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
11. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).

12. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable Life v. Lincoln County Bd. of Equal.*, 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).
13. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
14. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).
15. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
16. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *City of York v. York County Bd. Of Equalization*, 266 Neb. 297, 64 N.W.2d 445 (2003).

17. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987).
18. The presumption disappears if there is competent evidence to the contrary. *Id.*
19. The order, decision, determination, or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016 (8) (Cum. Supp. 2008).
20. Proof that the order, decision, determination, or action appealed from was unreasonable or arbitrary must be made by clear and convincing evidence. See, e.g., *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
21. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
22. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736 (2000).
23. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447 (1999).

24. “An owner who is familiar with his property and knows its worth is permitted to testify as to its value.” *U. S. Ecology v. Boyd County Bd. Of Equalization*, 256 Neb. 7, 16, 588 N.W.2d 575, 581 (1999).
25. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 580 N.W.2d 561 (1998).
26. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by the county assessor, failed to meet burden of proving that value of property was not fairly and proportionately equalized or that valuation placed upon property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).
27. A Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. Cf. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981); *Arenson v. Cedar County*, 212 Neb. 62, 321 N.W.2d 427 (1982).

IV. ANALYSIS

The subject property is a residential parcel improved with a raised ranch style house of 1,096 square feet living area built in 1962. (E2:8). The house is rated average for both quality and condition. (E2:8).

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2008, is not equalized with the taxable value of other real property. The Taxpayer testified that

it was his belief that the County Board did not address his allegation that the subject property had not been equalized with other alleged comparable parcels.

The Taxpayer testified that there were three parcels which he alleged were comparable to the subject property that were valued for 2008 less than the subject property per square foot. These three alleged comparable parcels are shown on Exhibit 4, the Taxpayer's protest form. The Taxpayer's comparison is to the assessed valuation of these three alleged comparable parcels and not to sales.

The Taxpayer did not provide the property record files for the three alleged comparable parcels as required by the Commission's Order for Hearing, paragraph 13. The testimony of the Taxpayer was that he had used information which he had obtained from screen shots on the Douglas County Assessor's website, despite the caution in the Commission's Order for Hearing not to use the website information since it is incomplete. The Commission is not able to compare the subject property to the Taxpayer's three alleged comparable parcels without the property record files for these alleged comparable parcels.

The Commission notes that the Taxpayer's Exhibit 4 only contains the size of the alleged comparable parcels, and the valuation per square foot is based on only this one physical characteristic being used to divide into the assessed valuation for 2008. The Taxpayer used that average of the per square foot values to determine his opinion of taxable value for 2008 for the subject property. The Commission notes that there are differences in the sizes of the alleged comparable parcels; however, no adjustments have been made by the Taxpayer for these differences nor for other differences in physical characteristics such as total size of basement, size of finished basement, age, quality, condition, and other differences.

“Comparable properties” share similar quality, architectural attractiveness (style), age, size, amenities, functional utility, and physical condition. *Property Assessment Valuation*, 2nd Ed., International Association of Assessing Officers, 1996, 98.

When using “comparables” to determine value, similarities and differences between the subject property and the comparables must be recognized. *Property Assessment Valuation*, 2nd Ed., 1996, 103. Most adjustments are for physical characteristics. *Property Assessment Valuation*, 2nd Ed., 1996, 105. “Financing terms, market conditions, location, and physical characteristics are items that must be considered when making adjustments . . .” *Property Assessment Valuation*, 2nd Ed., 1996, 98.

The Commission finds that the Taxpayer has not provided comparable parcels that can be compared to the subject property without adjustments, and the Commission does not have sufficient competent evidence to make a comparison without the property record files for the three alleged comparable parcels.

There is a presumption that a board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action. The presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence on appeal to the contrary. From that point on, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented. The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board. In an appeal to the county board of equalization or to the district court, and from the district court to this court, the burden of persuasion imposed on the complaining taxpayer is not met by showing a mere

difference of opinion unless it is established by clear and convincing evidence that the valuation placed upon his property when compared to valuations placed on other similar property is grossly excessive and is the result of a systematic exercise of intentional will or failure of plain duty, and not mere errors of judgment. *Id.* Taxpayer must introduce competent evidence of actual value of its property in order to successfully claim that a property is overvalued. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N. W. 2d 515 (1981).

The Commission finds that the Taxpayer has not provided competent evidence to rebut the presumption that the County Board faithfully performed its duties and did not have sufficient competent evidence to make its determination. The Commission also finds that the Taxpayer has not provided clear and convincing evidence that the County Board's decision was arbitrary or unreasonable. The appeal of the Taxpayer is denied.

V. CONCLUSIONS OF LAW

1. The Commission has subject matter jurisdiction in this appeal.
2. The Commission has jurisdiction over the parties to this appeal.
3. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its official duties and to act on sufficient competent evidence to justify its actions.
4. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decision of the County Board is unreasonable or arbitrary and the decision of the County Board should be affirmed.
