Appellee.)	

The above-captioned cases were called for a hearing on the merits of appeals by NEBCO, Inc. ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on November 4, 2009, pursuant to an Order for Hearing and Notice of Hearing issued October 27, 2009.

Commissioners Wickersham, Warnes, Salmon and Hotz were present. Commissioner Wickersham, Chairperson of the Commission, was the presiding hearing officer. Commissioner Wickersham, as Chairperson, designated Commissioners Wickersham, Salmon, and Hotz as a panel of the Commission to hear the appeal.

Robert E. Miller, Vice President of NEBCO, Inc., was present at the hearing. Shannon L. Doering and Luke F. Vavricek appeared as legal counsel for the Taxpayer.

John W. Reisz, a Deputy County Attorney for Sarpy County, Nebraska, was present as legal counsel for the Sarpy County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits, and heard testimony.

The Commission is required to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. Neb. Rev. Stat. §77-

5018 (Reissue 2009). The final decision and order of the Commission in the consolidated cases is as follows.

**I.
ISSUES**

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2009, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining the equalized taxable value of the subject property is unreasonable or arbitrary;

Whether the equalized taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2009.

**II.
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeals to maintain them.
2. The parcels of real property to which the above captioned appeals pertain are ("the Subject Property") described in the tables below.
3. Taxable value of each parcel of the subject property placed on the assessment roll as of January 1, 2009, ("the assessment date") by the Sarpy County Assessor, value as proposed

in timely protests, and taxable value as determined by the County Board is shown in the following tables:

4. Appeals of the County Board's decisions were filed with the Commission.
5. The appeals were consolidated for hearing by order of the Commission.
6. An Order for Hearing and Notice of Hearing issued on October 27, 2009, set a hearing of the appeals for November 4, 2009, at 9:00 a.m. CST.

**III.
APPLICABLE LAW**

1. Subject matter jurisdiction of the Commission in each of the above captioned appeals is over all questions necessary to determine taxable value. Neb. Rev. Stat. §77-5016(7) (Reissue 2009).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of

being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2009).

3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2009).
4. “Actual value, market value, and fair market value mean exactly the same thing.”
Omaha Country Club v. Douglas County Board of Equalization, et al., 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 (2002).
5. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2009).
6. All taxable real property, with the exception of agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Reissue 2009).
7. Agricultural land and horticultural land shall be valued for purposes of taxation at seventy five percent of its actual value. Neb. Rev. Stat. §77-201 (2) (Reissue 2009).
8. Agricultural land and horticultural land means a parcel of land which is primarily used for agricultural or horticultural purposes, including wasteland lying in or adjacent to and in common ownership or management with other agricultural land and horticultural land.

Agricultural land and horticultural land does not include any land directly associated with any building or enclosed structure." Neb. Rev. Stat. §77-1359 (1) (Reissue 2009).

9. "Agricultural or horticultural purposes means used for the commercial production of any plant or animal product in a raw or unprocessed state that is derived from the science and art of agriculture, aquaculture, or horticulture. Agricultural or horticultural purposes includes the following uses of land:

- (a) Land retained or protected for future agricultural or horticultural purposes under a conservation easement as provided in the Conservation and Preservation Easements Act except when the parcel or a portion thereof is being used for purposes other than agricultural or horticultural purposes; and

- (b) Land enrolled in a federal or state program in which payments are received for removing such land from agricultural or horticultural production shall be defined as agricultural land or horticultural land." Neb. Rev. Stat. §77-1359 (2)

(Reissue 2009).

10. The Legislature may enact laws to provide that the value of land actively devoted to agricultural or horticultural use shall for property tax purposes be that value which such land has for agricultural or horticultural use without regard to any value which such land might have for other purposes or uses. Neb. Const. art. VIII, §1 (5).
11. Agricultural or horticultural land which has an actual value as defined in section 77-112 reflecting purposes or uses other than agricultural or horticultural purposes or uses shall be assessed as provided in subsection (3) of section 77-201 if the land meets the qualifications of this subsection and an application for such special valuation is filed and

approved pursuant to section 77-1345. In order for the land to qualify for special valuation all of the following criteria shall be met: (a) The land is located outside the corporate boundaries of any sanitary and improvement district, city, or village except as provided in subsection (2) of this section; and (b) the land is agricultural or horticultural land. Neb. Rev. Stat. §77-1344 (1) (Reissue 2009).

12. Agricultural land and horticultural land actively devoted to agricultural or horticultural purposes which has value for purposes other than agricultural or horticultural uses and which meets the qualifications for special valuation under section 77-1344 shall constitute a separate and distinct class fo property for taxation, shall be subject to taxation, and shall be valued for taxation at seventy-five percent of its special value as defined in section 77-1343. Neb. Rev. Stat. §77-201 (3) (Reissue 2009).
13. Special value is the value land would have for agricultural or horticultural purposes or uses without regard to the actual value the land would have for other purposes. Neb. Rev. Stat. §77-1343 (5) (Reissue 2009).
14. Agricultural land and horticultural land qualified for special valuation is assessed a 75% of is special value. Neb. Rev. Stat. 77-201 (3) (Reissue 2009).
15. “Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution.” *Neb. Const.*, Art. VIII, §1.
16. Equalization is the process of ensuring that all taxable property is placed on the assessment rolls at a uniform percentage of its actual value. *MAPCO Ammonia Pipeline v. State Bd. of Equal.*, 238 Neb. 565, 471 N.W.2d 734 (1991).

17. The purpose of equalization of assessments is to bring the assessment of different parts of a taxing district to the same relative standard, so that no one of the parts may be compelled to pay a disproportionate part of the tax. *MAPCO Ammonia Pipeline v. State Bd. of Equal.*, 238 Neb. 565, 471 N.W.2d 734 (1991); *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623, (1999).
18. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. See, *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
19. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
20. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable Life v. Lincoln County Bd. of Equal.*, 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).
21. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
22. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings

and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).

23. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
24. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *City of York v. York County Bd. Of Equalization*, 266 Neb. 297, 64 N.W.2d 445 (2003).
25. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987).
26. The presumption disappears if there is competent evidence to the contrary. *Id.*
27. The order, decision, determination, or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016 (8) (Reissue 2009).

28. Proof that the order, decision, determination, or action appealed from was unreasonable or arbitrary must be made by clear and convincing evidence. See, e.g., *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
29. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
30. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736 (2000).
31. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447 (1999).
32. A corporate officer or other representative of an entity, must be shown to be familiar with the property in question and have a knowledge of values generally in the vicinity to be qualified to offer an opinion of value. *Kohl's Dept. Stores v. Douglas County Bd. of Equal.*, 10 Neb.App. 809, 638 N.W.2d 881 (2002).
33. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 580 N.W.2d 561 (1998).
34. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by the county assessor, failed to meet burden of proving that value of property was not fairly and proportionately equalized or that valuation placed upon

property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).

35. A Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. Cf. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981); *Arenson v. Cedar County*, 212 Neb. 62, 321 N.W.2d 427 (1982)(determination of equalized taxable value)

IV. ANALYSIS

One parcel of the subject property is improved. The contribution to value of the improvements was not protested. One parcel is unimproved.

Both parcels of the subject property were included in an economic unit defined by the County Assessor. (E3 & 4). The economic unit was created to determine the value of lands classified as recreational land. Both parcels of the subject property were however, assessed as agricultural land and horticultural land qualified for special valuation not as recreational land. All of the parcels submitted as comparables by the Taxpayer were assessed as agricultural land and horticultural land qualified for special valuation. There is no evidence that taxable values of the parcels comprising the subject property were not equalized with other parcels receiving special valuation.

V. CONCLUSIONS OF LAW

1. The Commission has subject matter jurisdiction in this appeal.

2. The Commission has jurisdiction over the parties to this appeal.
3. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its official duties and to act on sufficient competent evidence to justify its actions.
4. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decisions of the County Board are unreasonable or arbitrary and the decisions of the County Board should be affirmed.

APPEALS FROM DECISIONS OF THE COMMISSION MUST SATISFY THE REQUIREMENTS OF NEB. REV. STAT. §77-5019 (REISSUE 2009), OTHER PROVISIONS OF NEBRASKA STATUTES, AND COURT RULES.

I concur in the result.

The analysis above considers two standards of review for review. One standard of review is stated as a presumption found in case law the other is found as stated in statute. I do not believe consideration of two standards of review are required by statute or case law.

The Commission is an administrative agency of state government. See, *Creighton St. Joseph Regional Hospital v. Nebraska Tax Equalization and Review Commission*, 260 Neb. 905, 620 N.W.2d 90 (2000). As an administrative agency of state government the Commission has only the powers and authority granted to it by statute. *Id.* The Commission is authorized by statute to review appeals from decisions of a county board of equalization, the Tax Commissioner, and the Department of Motor Vehicles. Neb. Rev. Stat. §77-5007 (Reissue 2009). In general the Commission may only grant relief on appeal if it is shown that the order, decision, determination, or action appealed from was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016(8) (Reissue 2009).

The Commission is authorized to review decision of a County Board of Equalization determining taxable values. Neb. Rev. Stat. §77-5007 (Reissue 2009). Review of County Board of Equalization decisions is not new in Nebraska law. As early as 1903 Nebraska Statutes provided for review of County Board assessment decisions by the district courts. Laws 1903, c. 73 §124. The statute providing for review did not state a standard for that review. *Id.* A standard of review stated as a presumption was adopted by Nebraska's Supreme Court. See, *State v. Savage*, 65 Neb. 714, 91 N.W. 716 (1902) (citing *Dixon Co. v. Halstead*, 23 Neb. 697, 37 N.W. 621 (1888) and *State v. County Board of Dodge Co.* 20 Neb. 595, 31 N.W. 117 (1887). The presumption was that the County Board had faithfully performed its official duties and had

acted upon sufficient competent evidence to justify its actions. See, *Id.* In 1959 the legislature provided a statutory standard for review by the district courts of county board of equalization, assessment decisions. 1959 Neb Laws, LB 55, §3. The statutory standard of review required the District Court to affirm the decision of the county board of equalization unless the decision was arbitrary or unreasonable or the value as established was too low. *Id.* The statutory standard of review was codified in section 77-1511 of the Nebraska Statutes. Neb. Rev. Stat. §77-1511 (Cum. Supp. 1959). After adoption of the statutory standard of review Nebraska Courts have held that the provisions of section 77-5011 of the Nebraska Statutes created a presumption that the County Board has faithfully performed its official duties and has acted upon sufficient competent evidence to justify its actions. See, e.g. *Ideal Basic Indus. V. Nucholls Cty. Bd. Of Equal.*, 231 Neb. 297, 437 N.W.2d 501 (1989). The presumption stated by the Court was the presumption that had been found before the statute was enacted.

Many appeals of decisions made pursuant to section 77-1511 were decided without reference to the statutory standard of review applicable to the district courts review of a county board of equalization's decision. See, e.g. *Grainger Brothers Company v. County Board of Equalization of the County of Lancaster*, 180 Neb. 571, 144 N.W.2d 161 (1966). In *Hastings Building Co., v. Board of Equalization of Adams County*, 190 Neb. 63, 206 N.W.2d 338 (1973), the Nebraska Supreme Court acknowledged that two standards of review existed for reviews by the district court; one statutory requiring a finding that the decision reviewed was unreasonable or arbitrary, and another judicial requiring a finding that a presumption that the county board of equalization faithfully performed its official duties and acted upon sufficient competent evidence

was overcome. No attempt was made by the *Hastings* Court to reconcile the two standards of review that were applicable to the District Courts.

The Tax Equalization and Review Commission was created in 1995. 1995 Neb. Laws, LB 490 §153. Section 77-1511 of the Nebraska Statutes was made applicable to review of county board of equalization assessment decisions by the Commission. *Id.* In 2001 section 77-1511 of Nebraska Statutes was repealed. 2001 Neb. Laws, LB 465, §12. After repeal of section 77-1511 the standard for review to be applied by the Commission in most appeals was stated in section 77-5016 of the Nebraska Statutes. Section 77-5016(8) requires a finding that the decision being reviewed was unreasonable or arbitrary. *Brenner v. Banner County Board of Equalization*, 276 Neb. 275, 753 N.W.2d 802 (2008). The Supreme Court has stated that the presumption which arose from section 77-1511 is applicable to the decisions of the Commission. *Garvey Elevators, Inc. v. Adams County Bd. of Equalization*, 261 Neb. 130, 621 N.W.2d 518 (2001).

The possible results from application of the presumption as a standard of review and the statutory standard of review are: (1) the presumption is not overcome and the statutory standard is not overcome; (2) the presumption is overcome and the statutory standard is not overcome; (3) the presumption is not overcome and the statutory standard is overcome; (4) and finally the presumption is overcome and the statutory standard is overcome. The first possibility does not allow a grant of relief, neither standard of review has been met. The second possibility does not therefore allow a grant of relief even though the presumption is overcome because the statutory standard remains. See, *City of York v. York County Bd of Equal.*, 266 Neb. 297, 664 N.W.2d 445 (2003). The third possibility requires analysis. The presumption and the statutory standard of review are different legal standards, and the statutory standard remains after the presumption has

been overcome. See *Id.* The burden of proof to overcome the presumption is competent evidence. *Id.* Clear and convincing evidence is required to show that a county board of equalization's decision was unreasonable or arbitrary. See, e.g. *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002). Competent evidence that the county board of equalization failed to perform its duties or act upon sufficient competent evidence is not always evidence that the county board of equalization acted unreasonably or arbitrarily because the statutory standard of review remains even if the presumption is overcome. *City of York*, *supra*. Clear and convincing evidence that a county board of equalization's determination, action, order, or decision was unreasonable or arbitrary, as those terms have been defined, may however overcome the presumption that the county board of equalization faithfully discharged its duties and acted on sufficient competent evidence. In any event the statutory standard has been met and relief may be granted. Both standards of review are met in the fourth possibility and relief may be granted.

Use of the presumption as a standard of review has been criticized. See, G. Michael Fenner, *About Presumptions in Civil Cases*, 17 Creighton L. Rev. 307 (1984). In the view of that author the presumption should be returned to its roots as a burden of proof. *Id.* Nebraska's Supreme Court acknowledged the difficulty of using two standards of review and classified the presumption in favor of the county board of equalization as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. See, *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987). Use

of the *Gordman* analysis allows consideration of both the presumption and the statutory standard of review without the difficulties inherent in the application of two standards of review. It is within that framework that I have analyzed the evidence.
